First the chart set up. The term less is more has never been more relevant when it's applied to a one minute scalping system. For this chart set up all you need is standard Bollinger bands and a 100 period exponential moving average.. Firstly you need to create a rule to determine direction.

### **Day Trading System For Scalping 1 Minute Charts**

Scalping is the shortest time frame in trading and it exploits small changes in currency prices. Scalpers attempt to act like traditional market makers or specialists. To make the spread means to buy at the Bid price and sell at the Ask price, in order to gain the bid/ask difference. This procedure allows for profit even when the bid and ask don't move at all, as long as there are traders who ...
