An organization's financial plans should include budgets for both operating and for capital as discussed in previous section, on Budgeting. The budgeting process and good practices were also discussed in the previous sections, The Budgeting Process, and Budgeting Practices. In this section we will discuss the terms and concepts involved in creating the annual operating budget.

Budgeting Terms & Concepts | Nonprofit Accounting Basics

The budget process is the way an organization goes about building its budget. A good budgeting process engages those who are responsible for adhering to the budget and implementing the organization's objectives in creating the budget.
