

our mission womens march pdf

The Women's March was a worldwide protest on January 21, 2017, the day after the inauguration of President Donald Trump. Tensions rose due to statements made by Donald Trump, considered by many as anti-women or otherwise offensive. [13] It was the largest single-day protest in U.S. history. The goal of the annual marches is to advocate legislation and policies regarding human rights and other ...

The Women's March on Versailles, also known as The October March, The October Days, or simply The March on Versailles, was one of the earliest and most significant events of the French Revolution. The march began among women in the marketplaces of Paris who, on the morning of 5 October 1789, were near rioting over the high price and scarcity of bread.
