In recent years, information technology has had a profound effect on human resources (HR) processes and practices. However, relatively little research has examined its effectiveness, and most of the existing studies have not assessed the degree to which these new systems enable organizations to reach their HR goals of

attracting, motivating and retaining employees.

All forms of ineffective treatment, "alternative" or otherwise, pose real dilemmas that are usually neglected. I use here the term "alternative medicine", rather than CAM (complementary and alternative medicine), because things that don't work are not medicine at all and can't be "complementary" to anything.

The planet Kolob and the song about it. Kolob is a star or planet described in Mormon scripture. Reference to Kolob is found in the Book of Abraham, a work published by Latter Day Saint (LDS) prophet Joseph Smith, Jr. According to this work, Kolob is the heavenly body nearest to the throne or residence of God. While the Book of Abraham refers to Kolob as a "star", it also refers to planets ...
